Panasonic invites you to join us for an afternoon of hands-on demonstrations and presentations on the new AG-DVX200PJ, the next generation of large sensor, multi-format professional camcorders capable of capturing 4K/UHD, HD and SD, including cinematic DCI 4K 4096x2160. Offering a suite of top-end features, including 4K/24p and 1080/60p recording as well as a V-Log L gamma curve, the DVX200PJ is ready to excel in documentary, reality television, event production and as a second-unit camera in 4K filmmaking.

This Los Angeles launch event runs from 2PM to 8PM, with special presentations at 3PM and 6PM.

Special presentations on the AG-DVX200PJ will be made by:

Barry Green

— an Emmy award-winning producer/writer who has authored many books on the operations of Panasonic professional camcorders and is a technical moderator at DVXUser.com.

Doug Farris

— a cinematographer and owner of Ghost Hand Productions, Santa Cruz, CA.
